7. Embargoed Areas

EMBARGOED AREAS AND KIND OF TERRAIN

LONG DISTANCE (NEW MAP)

Terrain:

It is a very uneven, steep terrain, typical of most of the lands in the Mediterranean Basin. It is a semi-open forest and is generally composed of pines and Aleppo pines. There are many rocky elements in trough. A 20 % of map is dotted with farm land. Good run-ability in the most of the map. However, there are impassable ravines because of its slopes and vegetation.

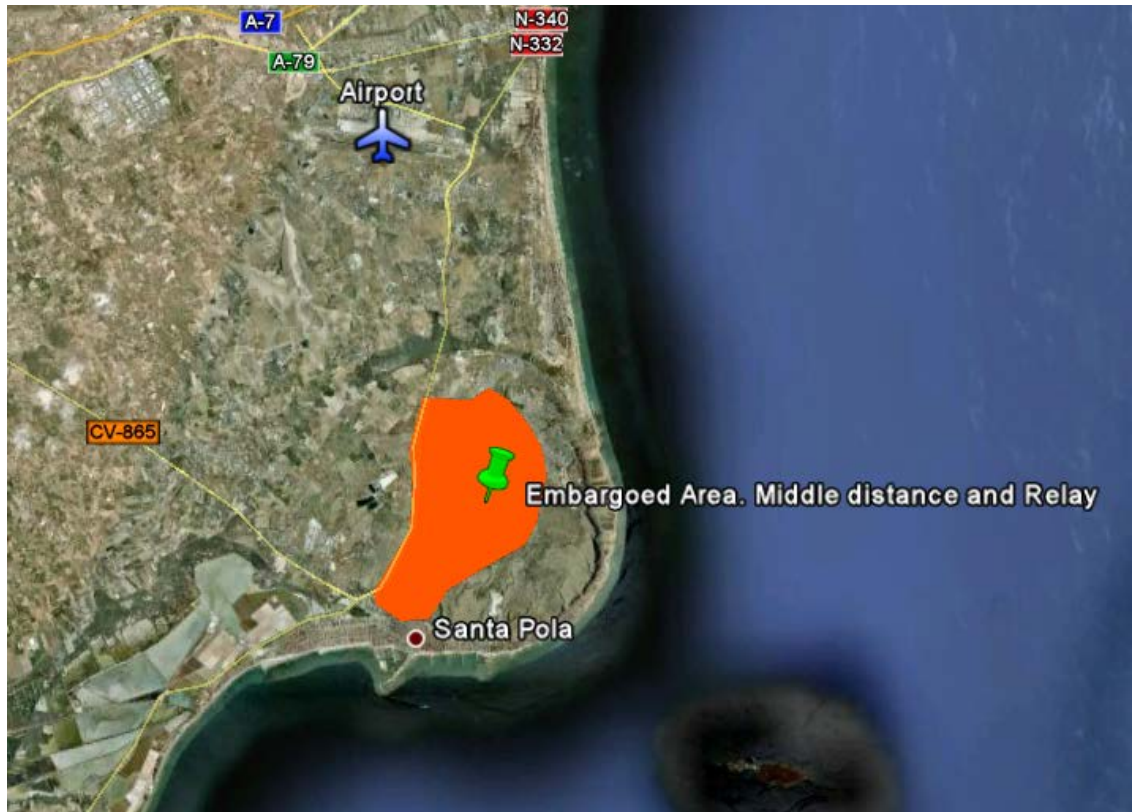

SPRINT MAP (NEW)

We will report on embargoed areas in the second Bulletin.

MIDDLE DISTANCE MAP (NEW)

Terrain:

Terrain without great slopes, the vegetation consists of low Mediterranean pine which makes the way of progress difficult. It is an area with large rocks, but we have just drawn those are greater than 1 meter. A 30 % of the forest in map is open and crossed by several rent ravines.

RELAY DISTANCE (NEW 30%)

Terrain without great slopes, the vegetation consists of low mediterranean pine which makes the way of progress difficult. It is an area with large rocks, but we have just drawn those are greater than 1 meter. A 30 % of the forest in map is open and crossed by several rent ravines.

8. Training Opportunities

The areas shown in the "Map – training areas" on <http://sd.ua.es/es/orienteering-championship/> have been designated as official training areas for teams participating WUOC 2012. The maps have been revised in the period 2010.

The training areas have been selected on the basis of relevance for the competitors. The structure of the terrains that will be used, except for the sprint, is of similar nature. All the training areas are considered to be relevant for any of the competitions (except sprint)

Maps can be purchased laser-printed. It is also possible to purchase a CD-rom with the maps in JPEG format and PDF format. The map files may be used for course planning with appropriate software for printing maps and courses.

All controls set out in the training areas must be labelled with the name of the group and the dates when the controls are put out and will be removed. If any help is needed to

organize separate training camps, other than the official ones, please send an e-mail to ofi.esport@ua.es

Prices

Laser-printed maps, without training event, per copy: 3 EUR

Laser-printed maps with controls, per copy: 5 EUR

Map files in JPEG format and PDF format, per cd: 100 EUR

We can also offer to set out controls in the forest: per training event, per team: 40 EUR + maps.
